

OP JINDAL MEMORIAL PARK

ME
PRABHAAS

Aligned with UN SD Goal 15 (Life on Land)

Restoration, development, maintenance and beautification of the 24 acre, O.P Jindal park at Milgate, Hisar was another endeavor of the foundation to conserve our environment. This green area was naturally curated land which

needed a little care and attention. After 3 years of dedicated care, today this park is one important tourist spot for residents of Hisar. The park has its first green walls/ vertical garden, beautiful steel sculptures, murals, topiary animals, which are all special attractions for visitors.

Started in August 2018 and still continuing.....

TREE PLANTATION DRIVE

SBI- Tree Plantation at Yamuna Banks

State Bank of India in partnership with Prabhaav Foundation, planted 4000 trees along the banks of the Yamuna river. The project was launched on 5th June, 2021, the World Environment Day and attended by Mr Vijay Pal & Mr Dhawan of SBI and the Prabhaav Foundation team. An area along the river bed was identified and species like Terminalia arjuna (Arjun), Banyan (Bargad), Ficus Religiosa (Peepal), Azadirachta indica (Neem), Acacia nilotica (Babool) which grow well in the alluvial soil were selected and planted over 3-5 months of 2021.
