

REDEVELOPMENT GOVERNMENT SCHOOL

KAPOTESWAR ODISHA ▶▶

Aligned with UN SD Goal 4 (Quality Education)

Carrying forward the foundation's attempts to help the victims of the cyclone Fani Prabhaav undertook redevelopment and modernisation of government school in Kapoteswar Odisha in collaboration with ITPO. Under this project the school was provided with a modern new toilet, clean and safe drinking water, and beautifully painted walls, a more positive atmosphere/ surroundings to attain knowledge.

This project was implemented through March 2020- January 2021.
