

War Against Hunger ➡ Aligned with UN SD Goal 2 (Zero Hunger)

Prabhaav Foundation's objective is to make a difference and have a positive impact on the society. We have been regularly distributing food at AIIMS and Safdarjung Hospital since 2016. The pandemic made us scale up this drive. We took upon ourselves to reach out to the masses on the streets of Delhi NCR, so as not to let anyone sleep hungry. By the first week of April 2020 we had started our distribution drive taking help of front line workers, primarily the police, the foundation started to deliver basic dry food ration to daily wage workers, rag pickers, house-helps, street vendors whose lives came to a standstill. We have distributed more than 7 lakh meals.

Activity from April 2020 till late July- August 2021
