

Painting Exhibition

(Fundraiser to Help the Cyclone Victims)

Aligned with UN SD Goal 10 (Reduced Inequalities)

Cyclone Fani destroyed many villages in Odisha including the artist's village of Raghurajpur. The foundation supported the devastated artists of the region by organising a fundraiser. This 3 day painting exhibition cum sale of their creations helped them to re-start their lives. The fundraiser aimed to generate funds not only to rebuild their homes but also allow them to resume their practice for livelihood through creation of market linkages to showcase their artwork
